In Memoriam

Gilbert L. James, Sr.

In loving remembrance of my husband, Gilbert L. James, Sr., and our Father, who departed this life, September 13, 1972.

You left a beautiful memory
A sorrow too great to be told
But to us who loved you,
Your memory will never grow old.
God gave us strength to bear it
And courage to face the blow,
But what it meant to lose you,
No one will ever know.

The Appomattox County Board of Supervisors is vitally concerned with the success of the Appomattox County solid waste program and is dedicated to insuring that it is a successful operation.
In this regard we feel that those property owners who have permitted us to station containers upon their property are extending a vital courtesy to the citizens in their community and the Appomattox County Board of Supervisors is determined to insure that this courtesy is not abused.
It has come to the attention of this Board that certain sites have been habitually abused thereby creating a burden not only upon County employees but upon the citizens of Appomattox County.
Let everyone be advised that the containers are supplied and serviced by the County of Appomattox for the expressed purpose of receiving household garbage from the rural Appomattox County residents.
Garbage is to be placed inside of these containers and lids closed. Items such as mattresses, furniture, wood, tires, junk metal, bedsprings, appliances and similar items are to be transported to the landfill directly. Also, using these containers sites for parking or for anything other than the intended purpose will be considered a trespass and will be charged as such.
Abuses of the solid waste system, including container sites should be reported to the Appomattox Sheriff's Department at 352-8241.
Your cooperation will be appreciated by us and by your neighbors.

From A.C.H.S. Student Handbook

"I want to extend my appreciation to the **Times-Virginian** for printing the contents of the ACHS student handbook for 1976-77. I feel that it is important that the community be aware of the procedures, rules, and regulations, and basic frame work within which the school functions.
The 1976-77 ACHS student handbook is the compilation of last years handbook and the new procedures, rules, etc. which Mr. McLean and I felt might be helpful for this school session.
If, while reading the handbook, questions come to your mind, don't hesitate to call the high school at 352-7146.
